

CityGlider is a unique, new option for travelling the inner city.

Brisbane's new high frequency bus service means there is no need to memorise the timetable and more time to spend at your favourite places.

Operating every 5 minutes in peak times and every 10-15 minutes at other times, with 24 hour service on Friday and Saturday nights, **CityGlider** gets you to where you want to go, fast.

To speed up boarding, **CityGlider** is a pre-paid service. As an added benefit, passengers can also board at the back door.

It's all part of Council's plan to deliver new and improved public transport facilities to reduce traffic congestion on our roads.

To find out more contact Council on 07 3403 8888 or go to www.brisbane.qld.gov.au

For public transport information visit www.translink.com.au or call TransLink on 13 12 30 anytime.

Travel **FREE**

Travel on CityGlider is **FREE** until 30 April 2010, so jump on board.

It's all part of Council's plan to reduce traffic congestion in Brisbane.

Pre-paid service

CityGlider is a fully pre-paid service to reduce boarding times and get you where you want to go sooner. Passengers must have a valid ticket (single, daily, weekly or monthly) or go card prior to boarding.

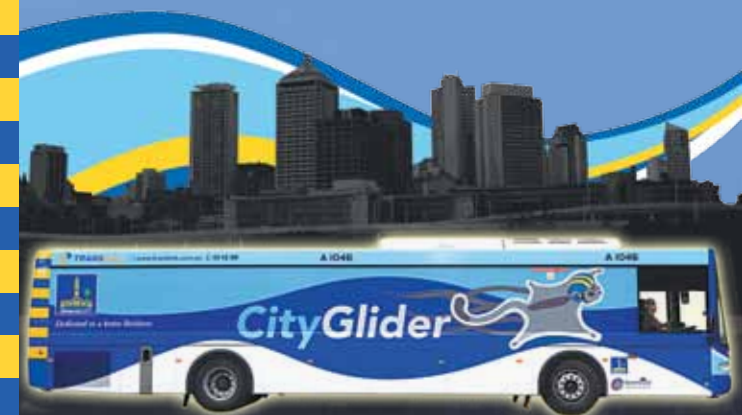

You can buy and top up a go card online, at go card retailers including most 7-Eleven stores, at selected train stations or by calling TransLink on 13 12 30. You can buy a paper ticket at most train stations and selected agents.

For a full list of go card retailers and other ticket agents, visit www.translink.com.au
