

Water Bubbler Commissioning at Goodna railway  
station

WE'RE DELIGHTED  
TO INVITE YOU...

*Water Bubbler Commissioning  
Goodna Rail Station–Invite*

DATE: TBA

TIME: TBA

Goodna Railway Station is a hot dry place, so the community wants to share in this great occasion.

Goodna has strong links to the railway. Goodna was the site of the official sod turning for the commencement of the construction of the railway to Ipswich from Brisbane in 1873, only 140 years ago!

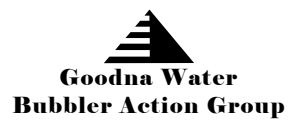

Join the community for another historic event!
