

Changes to routes 369 and 590

The first stage of the Brisbane City Council bus network review changes will be implemented on **Monday 22 July**.

Route 369 changes at Toombul

Route 369 will run between Mitchelton train station and Toombul Shopping Centre. To get to Skygate or the Aviation Precinct, you'll need to transfer at Toombul Shopping Centre to a 590 service.

The frequency of route 369 is also changing:

- every 20 minutes in peak, Monday to Friday
- every 30 minutes at all other time (including weekends).

Route 590 extended to Toombul

To keep you connected to Skygate and the Aviation Precinct, route 590 will be extended to Toombul Shopping Centre.

This route extension will still service all the same stops as the 369.
