

NA Class @ Walhalla

Saturday 29 May & Sunday 30 May

It has been 66 years since a NA Class locomotive has been to Walhalla! Loco 7A was the last engine to operate on the Erica-Moe section of the line before it closed in 1954. Now 7A is making a triumphant return - **FOR TWO DAYS ONLY!**

Tickets for this once in a life time event to witness a NA in Walhalla are now on sale and they are strictly limited.

ONLY 6 PUBLIC RUNS SO DON'T DELAY!

With thanks to Puffing Billy for the generous loan of loco 7A to the WGR.
